Dave -

I have reviewed the NOI for the Exploration Notice (S/013/007) for their exploration project, in Duchesne County. The surety amount is \$16,390 for 4-200 foot drill hole and 1 acres of disturbance. They will have a rolling bond for the wet hole drilling. Please send your concurrence via email.

If the Cultural Resource Survey has been completed by the USFS, please send the determination.

If you have any questions please call me at [801-538-5257](tel:801-538-5257)

thx-lah

Leslie,

Yes, the Ashley National Forest finds the suggested surety amount to be sufficient, and concurs with your assessment.

The needed Cultural Resources Survey has not yet been completed, nor has a determination been completed. We can send a copy of the determination once it has been completed.
